Ice Family

Design VillaTosca, LCI.LAB

SPHERE DI LUCE

Disegnata da VillaTosca, Ice è una famiglia di lampade a sospensione che con le sue caratteristiche linee morbide e minimali crea suggestivi giochi di luce che si adattano a svariati ambienti.

SPHERES OF LIGHT

Designed by VillaTosca, Ice is a family of suspension lamps that, with its characteristic soft, minimalist lines, create striking plays of light that suit a variety of environments.

SPHÈRES DE LUMIÈRE

Dessinée par VillaTosca, Ice est une famille de suspensions capable, avec ses lignes douces et minimalistes qui la caractérisent, de créer des jeux de lumière suggestifs adaptés à une multitude d'environnements.

KUGELN AUS LICHT

Entworfen von VillaTosca, ist Ice eine Familie von Hängelampen, die, mit ihren weichen, minimalen Linien, eindrucksvolle Lichtspiele erzeugen, die zu einer Vielzahl von Umgebungen passen.

SUMOS - M - L**Suspension lamp**

- Lampada a sospensione realizzata in polycarbonato PC microforato disponibile in 3 forme e misure. La sua unica texture simula una superficie ghiacciata che grazie ai suoi molteplici rosoni consente di creare composizioni uniche.

- Suspension lamp made of PC micro perforated polycarbonate and available in 3 forms and measures. Its unique texture recalls an icy surface that allows unique compositions to be created thanks to its multiple ceiling roses.

- Suspension en polycarbonate PC microperforé disponible en 3 formes et dimensions. Sa texture unique simule une surface givrée et ses multiples rosaces permettent de créer des compositions uniques.

- Hängelampe aus mikroperforiertem PC-Polycarbonat, erhältlich in 4 Formen und Durchmessern. Ihre einzigartige Textur erinnert an eine eisige Oberfläche, die dank der zahlreichen Deckenrosetten einzigartige Kompositionen ermöglicht.
